IOWA TESTS

Children in grades 2-7 will start Iowa testing next week at different periods during the day.

What is the purpose of Iowa testing?

The Iowa Tests are achievement tests published by the University of Iowa. The two most commonly-given Iowa Tests are the Iowa Tests of Basic Skills (ITBS) and the Iowa Assessments. Both are achievement tests - meaning they assess a child’s knowledge of what they have learned in school and are not cognitive or IQ tests. Despite the name, many states and private schools administer Iowa Tests.

These tests assess students' skills in Reading, Language, Mathematics, Social Studies, and Science. The tests assess both foundational skills and higher-order thinking skills. Iowa tests provide national and local comparisons.

Prepare at Home for Testing Week

- Make sure your child is getting 8-11 hours of sleep each night.
- Water is crucial! Please ensure your child brings a filled water bottle to school each morning.
- Pack an extra snack. Brain-powered snacks are higher in protein and lower in carbs and sugars. Oranges are also a natural energy booster!
